SINGLE SUPPLY

Description

The Pila Series Outdoor Showers are characterized by its simple clean lines and elegantly designed shower head. The multi outdoor shower is designed with a lower height of 41", perfect for rinsing off below the waist after a stroll along the beach. It is also very popular with pet owners as this is perfectly sized to shower and pamper their beloved pets without having to hold onto a showerhead. The shower head is individually handmade with 38 precision machined nozzles to give you total control over the intensity of your shower with a twist of the teak handle. The perfectly sized teak base is assembled with stainless steel hardware for durability. An adapter is included for connection with a standard garden hose.
