

CALAZZO

PILA OUTDOOR SHOWER

WALL MOUNT
DUAL SUPPLY

Description

The Pila Series Outdoor Showers are characterized by its simple clean lines and elegantly designed shower head. It will transform your garden into a tropical paradise with our stainless steel shower which easily mounts to most vertical surfaces. The shower head is individually handmade with 48 precision machined nozzles to give you total control over the intensity of your shower with a twist of the teak handle. Individual hot and cold controls allow for dual supply connection and perfect temperature control. An adapter is included for connection with a standard garden hose.

Features

- Teak handle (stays cool under the sun)
- Stainless Steel plumbing and hardware for durability and corrosion resistance
- Designed specifically for the outdoor environment; ideal for harsh coastal areas.
- WOG rated stainless steel ball valve.
- Mounts easily to most vertical surfaces.
- Commercial Quality design and construction.
- Dual supply feed designed for connection to separate hot and cold water source. Can also be used with single feed.
- Inlet sized for 3/4" pipe thread or use supplied brass adapter for connection with standard garden hose.
